THE GUIDE TO EASIER SHAMPOOING WITH BLITZ

1. MIXING

2L Water

50ml
BLITZ

Mix 50ml (2 Capfuls) of BLITZ PET SHAMPOO with two litres of clean water. Stir before use.

2. WET THE COAT

Thoroughly wet your dog's coat and skin surface with water

3. APPLY SHAMPOO

Distribute the mixer uniformly over the surface of the hair ensuring that it is applied around the lips, under the tail and between the toes, massaging the product into the fur

4. LEAVING THE SHAMPOO

LEAVE FOR
5 MIN

Leave the lather in for a minimum of five minutes.

5. RINSE

Then rinse the coat thoroughly

6. DRYING

Dry your dog thoroughly with a towel and then leave to dry thoroughly in a warm draught-free environment

5. FOR ADDED PROTECTION

Spray the animal's bedding and house, paying attention to cracks and crevices.
